SUMMARY

Pharmacy technician-turned-software-engineer looking for an opportunity that blends coding skills while being of service to others in a dedicated environment with a focus on growth and learning.

TECHNICAL SKILLS

- **Proficient**: Javascript, Node, React/Redux, Express, HTML5, CSS3
- **Knowledgeable:** Sequelize, PostgreSQL, Git
- **Familiar:** Mocha, Chai

PROJECTS

COVID-Vaccine Passport | *Sole Developer* | https://stackathon-vaccine-passport.herokuapp.com/
web application for presenting COVID-19 vaccination status via a QR code as well as tracking COViD-19 cases globally

- Compiled COVID-19 case data from multiple API endpoints and used ChartJS to visually showcase that data both worldwide and by country
- Input user vaccination information into a QR code
- Tech Stack: React, Node, Express, Postgresql, Chartjs

Legion of Doom Athletic Footwear | *Software Developer* | https://grace-shopper-legion-of-doom.herokuapp.com/#/
eCommerce project

- Designed and implemented most of the front-end, persistent shopping cart, user creation/authentication, product filters, and user/order management
- Tech Stack: React, Node, Express, Postgresql

EMPLOYMENT

Nicklaus Children's Hospital, Miami, FL   06/10-05/20
Pharmacy Technician / Buyer / Charge Poster

- Implemented new protocol for hospital downtime by creating easily customizable labels for oral medications, IV medications, IV drips, etc. and routing all labels to a centralized printer
- Prepared IV and Oral medications and provided customer support in the form of assisting patients' families as well as nurses and all other healthcare professionals over the phone, via email, as well as Cerner CPOE
- Pharmacy formulary management and confirming, correcting, and manual entry of pharmacy charges for surgical and radiology cases
- Purchased contract compliant medications (when applicable) and pharmacy supplies through Cardinal Health and managed product backorders

Zero Element Web Design, Miami, FL   08/14-04/19
Owner/Freelance Web Designer

- Designed and consulted on WordPress websites

EDUCATION

Fullstack Academy, New York, NY (Remote)   07/21
Certificate in Software Engineering

- 26-Week full stack JavaScript web development immersive

American Medical Academy, Miami, FL   09/11
EMT Program

Everest Institute, Miami, FL   11/09
Pharmacy Technician Program
